For Florida Residents Only: A "P" grade indicates that credit was awarded based on the student passing a state-administered End of Course (EOC) assessment instead of completing 100% of the course materials. Florida refers to this as a Credit Acceleration Program (CAP) credit. A final grade issued by FLVS in one of the EOC exam courses may be interpreted differently based on district policies in effect at the time of enrollment and/or completion, and specific requirements per Florida Statute.

Credits Earned*: Credit count the student earned for this course

* For any course that has a statewide End-of-Course (EOC) assessment the 0.5000 credit earned should be awarded by the district after the student has participated in the EOC and 30% has been factored into the final grade.

Servicing Virtual School: Virtual school that is issuing course credit
